STRENGTHENING SAFETY IN PLACES OF WORSHIP

SPIRIT

In a world where safety and security are vital, SPIRIT emerges as a beacon of hope and preparedness.

Our mission is to enhance the preparedness and response capabilities of places of worship and religious mass gatherings, ensuring the safety of worshippers and communities.

Our activities

Improved Training and Awareness:
SPIRIT ensures that law enforcement agencies and religious communities stand united against threats through enhanced training and awareness programs.

Final outcome

To deliver an **innovative app** to improve PoWs users' awareness by creating reflexes and boosting the RINE-HIDE-TELL guidance to respond effectively in any situation, enhancing overall safety and preparedness.

Our values

SPIRIT protects places of worship and it safeguards the values of **inclusivity, tolerance, and unity**.
By joining SPIRIT, you're not just investing in safety; you're contributing to a more resilient and cohesive society.

Our approach

SPIRIT aims to empower stakeholders across multiple levels by presenting **modern tools and security-by-design concepts in a holistic approach**.
Through improved vulnerability assessments, enhanced mitigation strategies, and comprehensive safety approaches in urban planning, SPIRIT strives to achieve lasting impact.
